Gustavson Sounds Announces the debut of The Guss's new single "Do It!"

Long Island, NY — October 20, 2015 — Gustavson Sounds announces the worldwide release on October 20th of "Do It!" a debut single distributed by CD Baby. The song opens with an edgy danceable drum loop that sets up a brutish dialogue riffing on "Do It." After building to a brief funky vocal harmonization along with saxes, wah-wah guitar and siren to segue into an ever evolving soaring synth solo over the opening drum loop and a dark bass line. The Guss is a band headed up by the composer and multi-instrumentalist Mark Gustavson. Mark received a classical music education and has a strong interest in world music and electronic music. The music is a fusion of styles including pop, rock, funk, jazz, downtempo and whatever else is in ear's reach. Now and again guests join the band to expand the consciousness of those unconscious.
